## **EXHIBIT A - FIELD TRIPS**

- A. Trips will be assigned by seniority and by the number of trips a driver has previously completed.
- B. Any regular driver can sign up for a field trip. The weeks when there is a school closing, all regular drivers' can sign up for trips at straight time.
- C. Drivers must sign a trip card to indicate they want the posted trip. Any driver not signing a posted trip card indicates he/she does not want said trip.
- D. Field trips scheduled for Saturdays, Sundays, holidays and weekdays, when a regular contract driver's regularly scheduled assigned runs are not scheduled because school is not in session, shall be exclusively assigned to a regular contract driver unless there are no contract drivers available for said trip. In the event no regular contract driver is available and/or eligible for assignment, as determined by the Transportation Supervisor, the supervisor may then assign said trip to a substitute bus driver or other non-contract driver.
- E. In the absence of an emergency, when a bus driver is required for assignment for a non-scheduled field trip, non-posted field trip or other late notice situation, the supervisor shall first make a reasonably thorough effort to contact and make available said trip to the most senior regular contract driver available and eligible, according to the rules of seniority and number of trips completed, before assigning said trip to a less senior or substitute driver.
- F. If a driver has been assigned a trip and is unable to report for said trip, the next eligible driver according to seniority and trips completed who signed a card for said trip shall be assigned the trip. If no other eligible drivers' names appear on said trip card, the supervisor shall pick and assign a driver.
- G. When a driver who is scheduled to work a weekend trip is unable to do so, he/she must contact the next driver on the "trip card" who has the least number of trips in order to offer the trip to him/her. If that driver refuses the offer, then the scheduled driver must continue to contact the other drivers on the "trip card" in order of the next fewest number of trips. If no one accepts the offer, then the scheduled driver shall contact drivers from the seniority list, going from the greatest seniority to the least seniority. If no one accepts the offer, then the scheduled driver must contact and arrange for coverage by a substitute driver.

When a driver off of the "trip card" accepts the offer, she/he will be charged with a trip. There will be no charge for a refusal. A driver on the seniority list will not be charged in any event.
- H. Field trips, athletic trips and band trips shall be posted five (5) days in advance of activity date, subject to change in time and destination. Emergency trips shall be posted in advance on day of approval by the Superintendent's Office.
- I. In the event a trip is cancelled and the same trip is run within two (2) working days, the same assigned driver for said trip will also be assigned trip. If cancellation is more than two (2) working days, trip will be posted again.
- J. A graph type chart with all regular drivers' names listed in order of seniority and showing all current charges for field trips completed shall be posted in an appropriate location visible to all drivers. The Transportation Supervisor will have the primary responsibility for maintaining and accurately updating said chart as necessary. However, each driver has the responsibility to bring any discrepancies to the supervisor's attention. Failure to do so in a timely manner will make the driver ineligible for pay consideration.
- K. All posted trips are to be assigned at least forty-eight (48) hours in advance.
- L. Subject to the provisions of Paragraph J. any driver who was denied a trip when it was his/her rightful turn will be paid for such trip. Less than two (2) hours is not classified as a trip for any purpose.
- M. Any driver who reports for an assigned trip that has been cancelled without notification shall be guaranteed two (2) hours pay.
- N. Substitute drivers may sign posted field/athletic trip sheets. However, they are not eligible for and cannot

be assigned trips unless the aforementioned conditions of Paragraph D of this exhibit are in existence.

- O. In the event that a lesser number of buses than was required and shown on posted trip card are assigned for said trip, the next eligible driver who signed up for said trip shall be paid an equal number of hours as was required to complete said trip.

## **EXHIBIT B - EXTRA WORK**

- A. Extra work, when available shall be assigned to regular contract drivers who have signed the posted extra work sheet at least one (1) day prior to day of availability. Regular drivers reporting to work on any given day and electing to sign extra work sheet for same day may do so. However, the supervisor may or may not assign those drivers extra work, depending on work available and/or supervisor's extra work needs for that day.
- B. Extra work shall be assigned according to the rules of seniority and the number of previous extra work assignments completed.
- C. In the event a regular driver who elected to sign the posted extra work sheet the day before is unable to report for duty on the day signed for because of sickness, said driver will not be penalized and charged for an extra work assignment.
- D. In the event no regular contract driver has signed the posted extra work sheet and no regular drivers are immediately available, the Transportation Supervisor may then assign the extra work to a substitute driver who is then immediately available.
